

## Partnerstvo obehového hospodárstva – PPP CE

Dear partners of circular economy in Slovakia,

Dear CIRCULAR TEXTIL Conference´ Private-Public-Partnership members,

Let us express our gratitude for your active participation at this our common event.

Only because of shortage of time – we have learnt in „*Learning by Doing*“ what does it mean to design & perform PPP event – meant that we were not able to promote full “LOGO-POLIS of all stakeholders involved at this PPP event @ International Circular Week web (<http://circularweek.org/en/>).

**Nevertheless, we stand sturdily on the ground of knowledge as the rapid transformation from linear economy managed through more-less isolated vertical force ‘lines - performed via individual project-program-institutional interventions is from 20th century´ anachronism.**

**We vote for assembling individual gifts into the holistic, virtuous circle of collective intelligence.**

Before the October 30th the Conference outputs will be delivered for:

- Conference strategic partner - Office of the Deputy Prime Minister of the Slovak Republic for Investments and Informatization (*in charge of NARA SK*)
- Chair of Slovak Chamber of Commerce meeting to all political party ‘leaders which exceed 5% threshold of 5% for entering the Parliament at ongoing elections (March 2020) (*in charge of NARA SK + Slovak Chamber of Commerce & Industry´ Banskobystrická Brach Office*)

Let us again ask you to send us your most profound & crucial points and recommendations for circularity acceleration in Slovakia as well as empowering the Slovak position in both EU and globally towards urgent transformation 2030+

**Please, send them before October 25th 2019 at: [pressnarask@gmail.com](mailto:pressnarask@gmail.com).**
